

# AQ26 - Arctic Activities

## Arctic Mocktails

Grab some ingredients, gather round and mix things up to get a taste of the frozen north with these arctic-inspired mocktails.

### Base Ingredients

Lemonade, Cream Soda, Blue food colouring, Coconut milk, Blueberry Juice, Vanilla Ice Cream, Ice, Squirty Cream, Frozen Blueberries

### Equipment

Cocktail Shakers, Measuring cups, Spoons, Strainers, Glasses/Cups, straws, Blender

### Tip of the Iceberg

Add 2/3 cup of cream soda or lemonade to a shaker

Add 2-3 ice cubes to the shaker

Add 2-3 drops of blue food colouring to the shaker

Shake well

Strain into a tall glass or cup

Add a scoop of vanilla ice cream to the glass

Add squirty cream on top (optional)

### Polar Blueberry Blast

Add a handful of frozen blueberries to a blender

Add 1 cup of coconut milk to the blender

Pulse the blender until mix is smooth

Pour into a cup/glass

Add a straw and enjoy

### Arctic Breeze

Add 1/2 cup of cream soda or lemonade to a shaker

Add 1/2 cup of blueberry juice to the shaker

Add 2-3 ice cubes to the shaker

Shake well

Strain into a glass or cup
